U.S.A. Foreign Consulate Generals Manufacturing Sister City Commercial Diplomacy

U.S.A. / Europe / Japan – Manufacturing Sister Cities Exporting Component Parts

Foreign Consulate Generals representing an Emerging Market or a Developing Country in either the U.S.A., Europe, or Japan, will work with SWEG Utility Company and Economic Development Offices as well as the Chamber of Commerce in specific Cities in their host country, State, or Region market area of their authority, to procure a cluster of four (4) to eight (8) Cities, to become a Manufacturing Sister City with a cluster of Manufacturing Sister Cities / Villages in the domicile country of the Consulate General.

SWEG Utility Company will develop Small Manufacturing Business Industrial Parks by helping existing Small Metal, Plastic, and Electrical Component Part Manufactures to manufacture a new line of Component Parts exclusively for the Export market to Component Part Assembly Plant Industrial Parks that will be developed in the domicile country of the Foreign Consulate General in the United States.
