Sweetwater Construction Company – Natural Gas Industry Construction Contracts

\$53,133,000,000 Natural Gas Construction Project Contracts in 64 Countries Worldwide

I. Natural Gas U.S.A. – CNG Natural Gas Service Station Development

Thirty – Six (36) State CNG Natural Gas Service Station Development

Twenty (20) CNG Natural Gas Service Stations built in each of 36 U.S. States

720 CNG Natural Gas Service Station Chain Development Units minimum

- **\$5,400,000,000 Total CNG Natural Gas Service Station Construction Budget in U.S.A.**

II. Natural Gas Europe – CNG Natural Gas Service Station Development

Thirty (30) European country CNG Natural Gas Service Station Development

Twenty (20) CNG Natural Gas Service Stations built in 30 European Countries

600 CNG Natural Gas Service Station Chain Development in Europe minimum

- **\$4,500,000,000 Total CNG Natural Gas Service Station Construction Budget in Europe**

III. Natural Gas – Emerging Market and Developing Country Natural Gas Economy Development

a. Natural Gas Field Lease, Exploration and Production Contracts

- **\$498,000,000 Total Cost for Four (4) Wells per Natural Gas Field for 15 initial countries**

b. Natural Gas Field Gathering Pipeline Development Contracts

- **\$360,000,000 Total Cost for Natural Gas Field Gathering Pipeline System for 15 initial countries**

c. Natural Gas Processing Plant Development

- **\$5,475,000,000 Total Cost to build a Natural Gas Processing Plant in 15 initial countries**

d. Natural Gas Transmission Pipeline Development for Consumer Distribution

Industrial Natural Gas Customers Supply Pipeline Development

Commercial Natural Gas Customers Supply Pipeline Development

Residential Natural Gas Customers Supply Pipeline Development

- **\$14,400,000,000 Total Cost to build a Natural Gas Transmission Pipeline in 15 initial countries**

e. Natural Gas Electric Power Plant Development

- **\$22,500,000,000 Total Cost to build a Natural Gas Electric Power Plant in 15 initial countries**

\$53,133,000,000 Total of Natural Gas Construction Project Contracts Worldwide
